Nunn's Home Medical Equipment is a key sponsor for the 2012 Epicurean Delight fundraiser scheduled for Saturday, May 5th. Nunn's understands the importance of quality service and care for all its customers, including those patients on hospice. With its recent \$2,000 donation, Lewis County Hospice will be able to promote its major fundraiser and credit its generous donors.

Nunn's Home Medical Equipment was founded in 1942 in Rome, NY. It is celebrating its 70th Anniversary this year. Nunn's is proud to be a family owned and operated business, serving 11 counties in Central New York. It has built its business on excellent service and care, providing Home Oxygen, Sleep Therapy, Lift Chairs, Stair Lifts, Hospital Beds and much more, so that people can remain comfortable and live independently in their own homes.
