"Light Up a Life"- COVID Style

FOLCH's "Light Up A Life 2020" fundraiser will be conducted by mail this year due to the Covid-19 pandemic. It will be held from November 30th through December 18th. All donations will go to the compassionate care of local Hospice patients. With your donation of \$5.00 you can help brighten the lives of Hospice patients and their families in a simple but touching way. There are several ways you can donate to the "Light Up a Life" campaign. One way to donate is to fill out the following form with the name(s) of loved ones you wish to honor or remember and send it along with your donation to the address indicated. Another way is to visit one of the following sites where you will find a "Light Up a Life" tree. There you will find order forms, preprinted envelopes and tags. You may fill out a tag yourself and place it on the tree or after receiving the form and your donation a member of Friends of Lewis County Hospice will write out a tag with the name of the person you have honored or remembered and place it on one of the trees for you. Each person's name will also be published in February in the Lowville Journal and Republican, the Boonville Herald and on the Friends of Lewis County Hospice website (friendsoflchospice.org).

Trees and forms can be found at:
